Armstrong Mill West Small Area Plan Approved

Gainesway trail coming soon

The Armstrong Mill West Small Area Plan (AMWSAP) was approved April 30th! Thanks to the dedicated residents of the 8th District, the LFUCG Division of Planning, EHI Consultants, and many community partners, we now have a tool that will guide development and promote neighborhood stabilization in our community.

The AMWSAP highlights the importance of connectivity and mobility within the 8th District, for drivers and pedestrians alike. One of the top goals is to alleviate traffic congestion along the Armstrong Mill Road Corridor. I have engaged the city's Division of Traffic Engineering and a study is currently underway at the intersection of Greentree Road and Armstrong Mill Road.

Construction for the Gainesway Shared Use Trail project is tentatively scheduled to begin in August 2015. Funded by a federal Congestion Mitigation and Air Quality grant, the trail will serve as a safe bicycle and pedestrian facility along the Armstrong Mill Road Corridor.

For questions about the AMWSAP or the Gainesway Shared Use Trail project, contact the Lexington Division of Planning at (859) 258-3160 or planningmailbox@lexingtonky.gov.

Berry Hill Skatepark Now Open

The LFUCG Division of Parks and Recreation and the non-profit group Friends for Skateparks opened Berry Hill Skatepark on June 12, 2015.

Additional work on the skatepark will continue throughout the summer with an official opening celebration planned for August.

For more information, contact the Lexington Division of Parks and Recreation at (859) 288-2900.

Dear 8th District Resident,

Welcome to the first edition of the 8th District Update! Here I will share all that is happening in our community and talk about the latest news at City Hall.

I am honored to have been elected to represent the 8th district again. Thank you! My first 6 months were spent working on the city budget, fulfilling committee assignments, and addressing constituent concerns. In addition to the City's Internal Audit Board, I am currently on 3 council committees and serve as vice chairman of the Transportation Policy Subcommittee.

My long term priorities include revitalizing our neighborhoods, improving the district's mobility infrastructure, maintaining our parks, and reestablishing police presence in our neighborhoods. I strongly support the LFUCG Division of Police; Fire & Emergency Services; and Community Corrections.

Again, thank you for your support. Call or [email](mailto:fbrown@lexingtonky.gov) me if I can ever be of assistance to you. Together, we will make the 8th district an even better place to live!

Sincerely,

Fred V. Brown
